DAY 1: SATURDAY 14TH NOVEMBER D. **HOME TO LAKES ENTRANCE**

Join our luxury coach and travel to Melbourne, crossing the city via the magnificent new network of roads through to the Princes Highway and on to Gippsland. Here we pass through the Latrobe Valley, a valley that contains one of the world's largest deposits of brown coal. Beyond the mines, the countryside supports a large dairying industry amongst other primary industries. Continue on to picturesque Bairnsdale, a commercial centre for wool growing, dairying, agricultural and timber industries. A feature of the town is Main Street (Princes Highway), which is divided for about 2km by a broad plantation of gardens and lawns ornamented with the 1911

Rotunda, this being a replica of one found in Cairo. Further along the Highway we reach Lakes Entrance and our home for the next two nights. The town is sometimes called "The Entrance" as it provides access to the Gippsland Lakes and is the home of one of Australia's largest fishing fleets. From spring through to the following winter, the Gippsland Lakes are visited by many schools of dolphins that come in from the ocean to feed on the schools of pilchards and anchovies found within the lake system. The town is also a depot for the off-shore oil rigs in Bass Strait. Dinner tonight is at the motel restaurant.

DAY 2: SUNDAY 15TH NOVEMBER B.D. **LAKES ENTRANCE SIGHTSEEING**

This morning we make our way to Buchan a pretty little town nestled in the foothills of the Victorian Alps and situated on the Buchan River. Buchan has many beautiful deciduous trees and Chinese brake ferns growing around the limestone outcrops. Nearby are the famous Buchan Caves and opportunity is available to explore the Limestone Chambers of the Royal Cave which feature delicate stalactites and stalagmites. Above the caves, wildlife is abundant in the reserve, bellbirds and lyrebirds being commonly seen. Enjoy the magnificent timbered countryside as we return to Lakes Entrance. Our activities this afternoon include a cruise on the Gippsland Lakes, with coffee and biscuits while on board. Enjoy views of the foothills of the high country just to the north and the amazing stretch of the Ninety Mile Beach separating the lakes from the ocean - this region offers an incredible variety of natural beauty. Some free time before returning to our motel to freshen up before dinner at the motel restaurant.

DAY 3: MONDAY 16TH NOVEMBER B.D. **LAKES ENTRANCE TO EDEN**

Farewelling Lakes Entrance this morning, enjoy a scenic drive along the Princes Highway through one of Victoria's largest natural bushland areas. Visit Mallacoota, one of Victoria's most isolated and peaceful fishing resorts. Situated in the State's eastern corner and surrounded by the magnificent Croajingolong National Park, Mallacoota still remains beautifully unspoiled by progress. The abalone industry is one of Mallacoota's most important exports. Crossing into New South Wales we continue through superbly scenic and relatively unspoiled stretches of coastline contrasting with the rugged hills and sheltered gullies inland. We arrive in the coastal town of Eden with the impressive Mount Imlay in the background contrasting with the sapphire waters of Twofold Bay. We visit The Eden Killer Whale Museum which has been in operation for seventy years and

is recognized as one of the most progressive and innovative museums in regional NSW. Exhibitions about the shore-based whaling operations from Twofold Bay during the 1800s and early 1900s include a full skeleton of 'Tom' the Killer Whale, legendary Orca. Later we check in to our motel for our two night stay.

**DAY 4: TUESDAY 17TH NOVEMBER B.D.
EDEN / MERIMBULA SIGHTSEEING**

This morning we join Cat Balou Cruises and explore the two folds of Twofold Bay which covers an area of 30 square kilometres. Surrounded by the Ben Boyd National Park and stunning scenery the pristine bays and beaches are viewed as Cat Balou cruises around this deep water port. The cruise highlights the history of this whaling port including Boyd's Tower, Seahorse Inn at Boydtown, Edrom Lodge and Whaling Station sites. The naval/multi purpose wharf which is also used by visiting cruise ships, the woodchip mill, mussel farms and the large fishing fleet are also viewed. Mid morning we travel to Merimbula which is famous for the beautiful oysters that are harvested here in this flourishing and picturesque seaside Mecca. Merimbula was founded in 1855 becoming a popular seaside resort after the Second World War. We visit Wheelers Oyster Farm which is located in the pristine waters of Merimbula Lake. This farm has been producing the finest Sydney Rock Oysters for almost 100 years. At the retail outlet, we will have the complete oyster experience tasting oysters straight from the farm and being part of a guided tour and visiting the souvenir shop. This afternoon we visit the Merimbula Aquarium for a guided tour. This Aquarium has 27 tanks and a fantastic Oceanarium full of large ocean fish and sharks. Another stunning place in the area is Merimbula's sister village Pambula, here we will visit the Pambula Beach.

**DAY 5: WEDNESDAY 18TH NOVEMBER B.D.
EDEN TO BATEMANS BAY**

Farewell Eden this morning and travel the short distance inland to Bega, a busy commercial centre on the Sapphire Coast. Bega is set on the picturesque Bega River amidst a rich farming area famous for its cheese. Visit the Bega Cheese Heritage Centre where not only can you taste the local cheeses but also you can learn how they were made both today and yesterday. There is opportunity for purchase too. Continuing further north, we stop at historical Central Tilba, a fascinating working village classified by the National Trust and situated at the base of Mount Dromedary. Central Tilba is included in the World Heritage list and here the clock seems to have stopped at the turn of the 20th century with the crafts and skills of yesteryear still alive and working. Continue through to Moruya, known today for its dairying, timber and oyster farming, and onto Batemans Bay, our home for the next two nights. Batemans Bay is a popular holiday resort situated on the broad sweeping estuary of the Clyde River and an area renowned for its crayfish and oysters. Time to freshen up before dinner at the motel restaurant.

**DAY 6: THURSDAY 19TH NOVEMBER B.L.D.
BATEMANS BAY - CLYDE RIVER CRUISE**

A relaxing day today as we enjoy a luncheon cruise on the peaceful Clyde River, the best known river in the Eurobodalla's River System. The Clyde passes no less than ten state forests on its way down to Batemans Bay. Visit the Eurobodalla Botanic Gardens and enjoy a town tour with the brilliant views both up river to the mountains and seaward to the island dotted horizon, before returning to our motel. The remainder of the

day is free for you to relax or maybe do some shopping. Dinner tonight is at the motel restaurant.

**DAY 7: FRIDAY 20TH NOVEMBER B.D.
BATEMANS BAY TO CANBERRA**

After another hearty breakfast this morning, we head off to take a drive to the charming historic gold mining village of Mogo and visit the privately owned Mogo Zoo. Take a guided tour and see the commitment to the survival of endangered animals with facilities for over 200 animals with more than 39 rare and exotic species, including the rare white lions of "Timbavati". Enjoy some time to sample the old world village atmosphere and browse through the wide variety of art and craft stores. Farewelling Batemans Bay this afternoon, we climb the Great Dividing Range, passing through the village of Nellingen, which lies in one of the majestic Clyde River's sweeping bends. Further along is Braidwood, a historic gold mining town with many early Georgian buildings still in evidence. Continue on to Canberra for our overnight stay.
